## **DIRECTORY OF MANUFACTURING AND DISTRIBUTION FACILITIES**

Jackson-Madison County, TN, has emerged as one of the state's leading industrial and distribution centers. The area serves as the hub for medical, retail and service jobs in the West Tennessee area. With a goal of attracting quality companies that recognize their employees as their greatest resource, Madison County has successfully attracted tens of thousands of new jobs for West Tennesseans.

Jackson's effective labor draw area includes Madison and the surrounding eight counties. More than one-half of the current Madison County employees commute from outside of Madison County, complementing the strong transportation and service draw from the West Tennessee region. This number is significantly higher in the manufacturing sector.

This directory contains a list of manufacturers, distributors and call centers in Jackson-Madison County. The Jackson Chamber has compiled this directory as a service to the business community. All information was obtained from the companies themselves. The chamber is not responsible for changes or inaccuracies in the following listings. If you are with a company who has a listing in this directory and you wish to edit your listing, please contact Hannah Hartig at 731-423-2200 or [hhartig@jacksontn.com](mailto:hhartig@jacksontn.com).
